

OPEN POSITION

Manager – CCA Development for EES Consulting, Inc.

Introduction

EES Consulting, Inc. (EES) is soliciting applications for a senior position that will serve as the Manager of CCA Development. This person will function in EES's senior staff team and report directly to the EES CEO. Details of this position follow.

Overview of EES Consulting, Inc.

EES is a registered professional engineering and management consulting firm serving the utility and natural resource communities since 1978. EES has over 400 utility clients throughout North America. EES has offices in Kirkland, WA; Portland, OR; and La Quinta, CA. This position will reside in the EES Kirkland, WA office. EES has performed CCA feasibility and/or Implementation Plans for the CCAs in Los Angeles, Ventura, San Bernardino, Alameda and Butte Counties, the Coachella Valley Association of Governments, the West Riverside Council of Governments, and the Cities of San Jose, Encinitas, Carlsbad, Del Mar and Oceanside. EES is also currently active in CCA creation in Orange and San Diego Counties.

Description of Position

As Manager – CCA Development, this position will be responsible for all CCA project QC/QA, assist in business development among the CCA community and supervise EES's CCA team of 6 – 8 professionals. The specific responsibilities of this position follow:

- QC/QA of all CCA-related work product
- CPUC monitoring and active engagement when necessary
- Lead monthly CCA group calls
- Attend and present at CCA seminars and workshops
- Prepare proposals for CCA-related RFPs
- Monitor state-wide CCA activities
- Supervise professional staff to ensure timeliness and accuracy of CCA work product, efficient execution of projects, oversee client communications and billings, and ensure client satisfaction with final reports

Qualification/Education

Degree in engineering, business or economics desirable. Advanced degrees or professional licenses a plus. Electric utility experience required. California electric utility/CCA experience required.

Compensation

EES offers a full array of employee benefits. Salary contingent on experience.

Application Process

Applicants are requested to send resumes to careers@eesconsulting.com. EES is an Equal Opportunity Employer.
